### 1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

### 2. Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all pupils to style their hair in the way that is appropriate and smart for school, yet makes them feel most comfortable.
- Allow pupils to request changes to swimwear for religious reasons (swimwear that covers both arms and legs).
- Allow pupils to wear headscarves and other religious or cultural symbols. We will reserve the right to ensure all children can access teaching and learning activities safely. If we have concerns we will contact parents to discuss.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Sarah Coleman Headteacher [admin@oakgrange.org](mailto:admin@oakgrange.org) who can answer questions about the policy and respond to any requests.

### 3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items, limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Limiting any items with distinctive characteristics.
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Insuring kit is available to borrow for team games such as football and netball matches.
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimizing the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

## 4. Expectations for school uniform

### 4.1 Our school's uniform

Add details of your school uniform to this section, including:

- There are no branded items that are specifically required. We tell parents that "it would be lovely if you could have an emblem on a jumper/cardigan or polo shirt, but this is not a requirement."
- There are a number of school branded items available. These are all optional. These comprise of school T-shirts, school PE T-shirts, school fleece, school mac and school book bag. As well as the school jumper and school cardigan and hoodie
- The basic uniform of grey trousers, grey skirts, grey pinafores, navy polo T-shirt and the navy blue jumper/cardigan can all be purchased from retail shops. In the summer blue gingham dresses and grey shorts are also available from high street retailers. We do not accept cycling shorts as basic school uniform. Black, grey, white or burgundy socks/tights must be worn with the uniform.
- Expectations for PE - Children to have an indoor kit (blue shorts- green t shirt). No shoes are required for this.

- Expectations for all children to have an outdoor kit. Children must wear appropriate footwear for PE (training shoes in black or white). Dark blue jogging bottoms and a green t shirt, sweatshirt or hoodie. In the summer the children can wear their indoor kit outside with the addition of their black or white trainers.
- Expectations for all children who partake in swimming lessons, will provide their own swimming costume and towel. This does not have to be school colours. Children may wear swimwear that covers both arms and legs for religious purposes.
- Expectations for jewelry is that children may only wear small stud earrings if they have their ears pierced. These must either be taken out for PE or taped over with medical tape that the parents put on. Religious jewelry is accepted if it is small and discreet. These must also be able to be taken off for PE or taped to the body.
- Expectations for hairstyles is that they must be neat, tidy and respectable. Long hair must be tied up for PE. (This considers the requirement described above to avoid discrimination in line with the Equality Act 2010) Large hairbands (such as unicorn horns and large bows) are not acceptable.
- Head coverings are acceptable for religious purposes, but must be safe for the child to wear.
- Expectations for shoes to be plain and black. Shoes to be sturdy and sensible to ensure the safety of the child wearing them. In Summer neutral/plain sandals may be worn but these must, fit correctly, be sturdy and sensible to ensure the safety of the child wearing them.
- Expectations of bags should be book bag sized ONLY (other than nursery)
- Expectations of coats is that they should be shower proof in warmer weather and warm enough during colder weather. Children are allowed to wear any coloured coat.
- Wellington boots are required by the foundation stage children all year round. Staff do have a small range of donated wellingtons if a child does not have their own.

## 4.2 Where to purchase it

- Uniform with the school's logo can be purchased from <https://www.uniformity.co.uk/>

## 5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by the Head teacher.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

- Is appropriate for our school's context.
- Is implemented fairly across the school.
- Considers the views of parents and pupils.

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.
